## INTRODUCTION

This booklet contains the “license law” relating to registered interior designers in Wisconsin. It contains selected sections from the Wisconsin statutes and the administrative code of the Department of Regulation and Licensing.

The regulation of interior designers was published as 1995 Wisconsin Act 322 on May 16, 1996, and the regulation became effective on December 1, 1996. The Secretary of the Department has appointed an advisory committee to assist the Department in developing policies and procedures relating to this regulation. Some members of the advisory committee also assist the Department in screening complaints against registrants and in advising the Division of Enforcement concerning the investigation and prosecution of complaints.

The Department of Regulation and Licensing is an umbrella agency which directly regulates some occupations and professions and which provides administrative services to various professional boards. Within the Department, the Bureau of Direct Licensing and Real Estate, provides administrative services relating to Wisconsin-registered interior designers.

The development of the law in this area is ongoing. Therefore, these rules and statutes may be revised subsequent to the printing of this book. Most local libraries maintain current sets of Wisconsin Administrative Code and the Wisconsin Statutes. These documents as well as other state publications are available from the Department of Administration, Document Sales Division, PO Box 7840, Madison, WI 53707.

#### SUBCHAPTER I

#### GENERAL PROVISIONS

**15.001 Declaration of policy.** (1) **THREE BRANCHES OF GOVERNMENT.** The “republican form of government” guaranteed by the U.S. constitution contemplates the separation of powers within state government among the legislative, the executive and the judicial branches of the government. The legislative branch has the broad objective of determining policies and programs and review of program performance for programs previously authorized, the executive branch carries out the programs and policies and the judicial branch has the responsibility for adjudicating any conflicts which might arise from the interpretation or application of the laws. It is a traditional concept of American government that the 3 branches are to function separately, without intermingling of authority, except as specifically provided by law.

(2) **GOALS OF EXECUTIVE BRANCH ORGANIZATION.** (a) As the chief administrative officer of the state, the governor should be provided with the administrative facilities and the authority to carry out the functions of the governor’s office efficiently and effectively within the policy limits established by the legislature.

(b) The administrative agencies which comprise the executive branch should be consolidated into a reasonable number of departments and independent agencies consistent with executive capacity to administer effectively at all levels.

(c) The integration of the agencies in the executive branch should be on a functional basis, so that programs can be coordinated.

(d) Each agency in the executive branch should be assigned a name commensurate with the scope of its program responsibilities, and should be integrated into one of the departments or independent agencies of the executive branch as closely as the conflicting goals of administrative integration and responsiveness to the legislature will permit.

(3) **GOALS OF CONTINUING REORGANIZATION.** Structural reorganization should be a continuing process through careful executive and legislative appraisal of the placement of proposed new programs and the coordination of existing programs in response to changing emphasis or public needs, and should be consistent with the following goals:

(a) The organization of state government should assure its responsiveness to popular control. It is the goal of reorganization to improve legislative policy-making capability and to improve the administrative capability of the executive to carry out these policies.

(b) The organization of state government should facilitate communication between citizens and government. It is the goal of reorganization through coordination of related programs in function-oriented departments to improve public understanding of government programs and policies and to improve the relationships between citizens and administrative agencies.

(c) The organization of state government shall assure efficient and effective administration of the policies established by the legislature. It is the goal of reorganization to promote efficiency by improving the management and coordination of state services and by eliminating overlapping activities.

**History:** 1991 a.316.

**15.01 Definitions.** In this chapter: (1g) “Affiliated credentialing board” means a part-time body that meets all of the following conditions:

(a) Is attached to an examining board to regulate a profession that does not practice independently of the profession regulated by the examining board or that practices in collaboration with the profession regulated by the examining board.

(b) With the advice of the examining board to which it is attached, sets standards of professional competence and conduct for the profession under the affiliated credentialing board’s supervision, reviews the qualifications of prospective new practitioners, grants credentials, takes disciplinary action against credential holders and performs other functions assigned to it by law.

(b) "Personal identifier" means a name, social security number, telephone number, street address, post-office box number or 9-digit extended zip code.

**History:** 2001 a. 109.

**440.20 Disciplinary proceedings.** (1) Any person may file a complaint before the department or any examining board, affiliated credentialing board or board in the department and request the department, examining board, affiliated credentialing board or board to commence disciplinary proceedings against any holder of a credential.

(3) The burden of proof in disciplinary proceedings before the department or any examining board, affiliated credentialing board or board in the department is a preponderance of the evidence.

(4) In addition to any grounds for discipline specified in chs. 440 to 480, the department or appropriate examining board, affiliated credentialing board or board in the department may reprimand the holder of a credential or deny, limit, suspend or revoke the credential of any person who intentionally violates s. 252.14 (2) or intentionally discloses the results of a blood test in violation of s. 252.15 (5) (a) or (5m).

**History:** 1977 c. 418; 1979 c. 34; 1988 a. 29; 1989 a. 31, 201; 1991 a. 39; 1993 a. 16, 27, 102, 107, 490.

The constitutionality of sub.(3) is upheld. *Gandhi v. Medical Examining Board*, 168 Wis. 2d 299, 483 N.W.2d 295 (Ct. App. 1992).

A hearing is not required for a complaint filed under this section. 68 *Att. Gen.* 30. The "preponderance of the evidence" burden of proof under sub.(3) does not violate the due process rights of a licensee. 75 *Att. Gen.* 76.

**440.205 Administrative warnings.** If the department or a board, examining board or affiliated credentialing board in the department determines during an investigation that there is evidence of misconduct by a credential holder, the department, board, examining board or affiliated credentialing board may close the investigation by issuing an administrative warning to the credential holder. The department or a board, examining board or affiliated credentialing board may issue an administrative warning under this section only if the department or board, examining board or affiliated credentialing board determines that no further action is warranted because the complaint involves a first occurrence of a minor violation and the issuance of an administrative warning adequately protects the public by putting

the credential holder on notice that any subsequent violation may result in disciplinary action. If an administrative warning is issued, the credential holder may obtain a review of the administrative warning through a personal appearance before the department, board, examining board or affiliated credentialing board that issued the administrative warning. Administrative warnings do not constitute an adjudication of guilt or the imposition of discipline and may not be used as evidence that the credential holder is guilty of the alleged misconduct. However, if a subsequent allegation of misconduct by the credential holder is received by the department or a board, examining board or affiliated credentialing board in the department, the matter relating to the issuance of the administrative warning may be reopened and disciplinary proceedings may be commenced on the matter, or the administrative warning may be used in any subsequent disciplinary proceeding as evidence that the credential holder had actual knowledge that the misconduct that was the basis for the administrative warning was contrary to law. The record that an administrative warning was issued shall be a public record. The contents of the administrative warning shall be private and confidential. The department shall promulgate rules establishing uniform procedures for the issuance and use of administrative warnings.

(2) If, after holding a public hearing, the department determines that a person has engaged in a practice or used a title without a credential required under chs. 440 to 480, the department may issue a special order enjoining the person from the continuation of the practice or use of the title.

(3) In lieu of holding a public hearing, if the department has reason to believe that a person has engaged in a practice or used a title without a credential required under chs. 440 to 480, the department may petition the circuit court for a temporary restraining order or an injunction as provided in ch. 813.

(4) (a) Any person who violates a special order issued under sub.(2) may be required to forfeit not more than \$10,000 for each offense. Each day of continued violation constitutes a separate offense. The attorney general or any district attorney may commence an action in the name of the state to recover a forfeiture under this paragraph.

(b) Any person who violates a temporary restraining order or an injunction issued by a court upon a petition under sub.(3) may be fined not less than \$25 nor more than \$5,000 or imprisoned for not more than one year in the county jail or both.

(2) In any disciplinary proceeding against a holder of a credential in which the department or an examining board, affiliated credentialing board or board in the department orders suspension, limitation or revocation of the credential or reprimands the holder, the department, examining board, affiliated credentialing board or board may, in addition to imposing discipline, assess all or part of the costs of the proceeding against the holder. Costs assessed under this subsection are payable to the department. Interest shall accrue on costs assessed under this subsection at a rate of 12% per year beginning on the date that payment of the costs are due as ordered by the department, examining board, affiliated credentialing board or board. Upon the request of the department of regulation and licensing, the

department of justice may commence an action to recover costs assessed under this subsection and any accrued interest.

(3) In addition to any other discipline imposed, if the department, examining board, affiliated credentialing board or board assesses costs of the proceeding to the holder of the credential under sub.(2), the department, examining board, affiliated credentialing board or board may not restore, renew or otherwise issue any credential to the holder until the holder has made payment to the department under sub.(2) in the full amount assessed, together with any accrued interest.

History: 1987 a. 27; 1991 a. 39; 1993 a. 107; 1997 a. 27.

The collection of costs assessed under this section may not be pursued in an independent action for a money judgment. The costs may be collected only as a condition of reinstatement of the disciplined practitioner's credentials. *State v. Dunn*, 213 Wis. 2d 363, 570 N.W.2d 613 (Ct. App. 1997).

**440.23 Cancellation of credential; reinstatement.** (1) If the holder of a credential pays a fee required under s. 440.05 (1) or (6), 440.08, 444.03, 444.05, 444.11 or 459.46 (2) (b) by check or debit or credit card and the check is not paid by the financial institution upon which the check is drawn or if the demand for payment under the debit or credit card transaction is not paid by the financial institution upon which demand is made, the department may cancel the credential on or after the 60th day after the department receives the notice from the financial institution, subject to sub.(2).

(2) At least 20 days before canceling a credential, the department shall mail a notice to the holder of the credential that informs the holder that the check or demand for payment under the debit or credit card transaction was not paid by the financial institution and that the holder's credential may be canceled on the date determined under sub.(1) unless the holder does all of the following before that date:

(a) Pays the fee for which the unpaid check or demand for payment under the credit or debit card transaction was issued.

(b) If the fee paid under par.(a) is for renewal and the credential has expired, pays the applicable penalty for late renewal specified in s. 440.08 (3).

(c) Pays the charge for an unpaid draft established by the depository selection board under s. 20.905 (2).

(3) Nothing in sub.(1) or (2) prohibits the department from extending the date for cancellation to allow the holder additional time to comply with sub.(2) (a) to (c).

(4) A cancellation of a credential under this section completely terminates the credential and all rights, privileges and authority previously conferred by the credential.

(5) The department may reinstate a credential that has been canceled under this section only if the previous holder complies with sub.(2) (a) to (c) and pays a \$30 reinstatement fee.

**440.25 Judicial review.** The department may seek judicial review under ch. 227 of any final disciplinary decision of the medical examining board or affiliated credentialing board attached to the medical examining board. The department shall be represented in such review proceedings by an attorney within the department. Upon request of the medical examining board or the interested affiliated credentialing board, the attorney general may represent the board. If the attorney general declines to represent the board, the board may retain special counsel which shall be paid for out of the appropriation under s. 20.165 (1) (g).

## Chapter RL 7

## IMPAIRED PROFESSIONALS PROCEDURE

RL 7.01	Authority and intent.	RL 7.07	Intradepartmental referral.
RL 7.02	Definitions.	RL 7.05	Records.
RL 7.03	Referral to and eligibility for the procedure.	RL 7.09	Report.
RL 7.03	Requirements for participation.	RL 7.10	Applicability of procedures to direct licensing by the department.
RL 7.05	Agreement for participation.	RL 7.11	Approval of drug testing programs.
RL 7.06	Standards for approval of treatment facilities or individual therapists.		

**RL 7.01 Authority and intent. (1)** The rules in this chapter are adopted pursuant to authority in ss. 15.08 (5) (b), 51.30, 146.82, 227.11 and 440.03, Stats.

**(2)** The intent of the department in adopting rules in this chapter is to protect the public from credential holders who are impaired by reason of their abuse of alcohol or other drugs. This goal will be advanced by providing an option to the formal disciplinary process for qualified credential holders committed to their own recovery. This procedure is intended to apply when allegations are made that a credential holder has practiced a profession while impaired by alcohol or other drugs or when a credential holder contacts the department and requests to participate in the procedure. It is not intended to apply in situations where allegations exist that a credential holder has committed violations of law, other than practice while impaired by alcohol or other drugs, which are substantial. The procedure may then be utilized in selected cases to promote early identification of chemically dependent professionals and encourage their rehabilitation. Finally, the department's procedure does not seek to diminish the prosecution of serious violations but rather it attempts to address the problem of alcohol and other drug abuse within the enforcement jurisdiction of the department.

**(3)** In administering this program, the department intends to encourage board members to share professional expertise so that all boards in the department have access to a range of professional expertise to handle problems involving impaired professionals.

**History:** Cr. Register, January, 1991, No. 421, eff. 2-1-91; am. (2), Register, July, 1996, No. 487, eff. 8-1-96.

**RL 7.02 Definitions.** In this chapter:

**(1)** "Board" means any examining board or affiliated credentialing board attached to the department and the real estate board.

**(2)** "Board liaison" means the board member designated by the board as responsible for approving credential holders for the impaired professionals procedure under s. RL 7.03, for monitoring compliance with the requirements for participation under s. RL 7.04, and for performing other responsibilities delegated to the board liaison under these rules.

**(2a)** "Coordinator" means a department employee who coordinates the impaired professionals procedure.

**(2b)** "Credential holder" means a person holding any license, permit, certificate or registration granted by the department or any board.

**(3)** "Department" means the department of regulation and licensing.

**(4)** "Division" means the division of enforcement in the department.

**(5)** "Formal complaint" means any written information submitted by any person to the division, department or any board which requests that a disciplinary proceeding be commenced against a credential holder or which alleges facts, which if true, warrant discipline. "Informal complaint" includes requests for disciplinary proceedings under s. 440.20, Stats.

**(6)** "Medical review officer" means a medical doctor or doctor of osteopathy who is a licensed physician and who has knowledge of substance abuse disorders and has appropriate medical training to interpret and evaluate an individual's confirmed positive test result together with an individual's medical history and any other relevant biomedical information.

**(7)** "Procedure" means the impaired professionals procedure.

**(8)** "Program" means any entity approved by the department to provide the full scope of drug testing services for the department.

**History:** Cr. Register, January, 1991, No. 421, eff. 2-1-91; am. (1), (2), (5), cr. (2a), (2b), r. (6), Register, July, 1996, No. 487, eff. 8-1-96; cr. (6) and (8), Register, January, 2001, No. 541, eff. 2-1-01.

**RL 7.03 Referral to and eligibility for the procedure.**

**(1)** All informal complaints involving allegations of impairment due to alcohol or chemical dependency shall be screened and investigated pursuant to s. RL 2.035. After investigation, informal complaints involving impairment may be referred to the procedure and considered for eligibility as an alternative to formal disciplinary proceedings under ch. RL 2.

**(2)** A credential holder who has been referred to the procedure and considered for eligibility shall be provided with an application for participation, a summary of the investigative results in the form of a draft statement of conduct to be used as a basis for the statement of conduct under s. RL 7.05 (1) (a), and a written explanation of the credential holder's options for resolution of the matter through participation in the procedure or through the formal disciplinary process pursuant to ch. RL 2.

**(3)** Eligibility for the procedure shall be determined by the board liaison and coordinator who shall review all relevant materials including investigative results and the credential holder's application for participation. Eligibility shall be determined upon criteria developed by each credentialing authority which shall include at a minimum the credential holder's past or pending criminal, disciplinary or malpractice record, the circumstances of the credential holder's referral to the department, the seriousness of other alleged violations and the credential holder's prognosis for recovery. The decision on eligibility shall be consistent with the purposes of these procedures as described in s. RL 7.01 (2). The board liaison shall have responsibility to make the determination of eligibility for the procedure.

**(4)** Prior to the signing of an agreement for participation the credential holder shall obtain a comprehensive assessment for chemical dependency from a treatment facility or individual therapist approved under s. RL 7.06. The credential holder shall arrange for the treatment facility or individual therapist to file a copy of its assessment with the board liaison or coordinator. The assessment shall include a statement describing the credential holder's prognosis for recovery. The board liaison and the credential holder may agree to waive this requirement.

**(5)** If a credential holder is determined to be ineligible for the procedure, the credential holder shall be referred to the division for prosecution.

(6) A credential holder determined to be ineligible for the procedure by the board liaison or the department may, within 10 days of notice of the determination, request the credentialing authority to review the adverse determination.

**History:** Cr. Register, January, 1991, No. 421, eff. 2-1-91; am. (2) to (6), Register, July, 1996, No. 487, eff. 8-1-96.

(1), that a credential holder participating in the procedure has failed to meet any of the requirements set under sub. (1), the board liaison may request that the board dismiss the credential holder from the procedure. The board shall review the complete record in making this determination. If the credential holder is dismissed the matter shall be referred to the division.

(3) If a credential holder violates the agreement and the board does not dismiss and refer the credential holder to the division, then a new admission under s. RL 7.05 (1) (aj) shall be obtained for violations which are substantiated.

**History:** Cr. Register, January, 1991, No. 421, eff. 2-1-91; am. Register, July, 1996, No. 487, eff. 8-1-96; am. (1) (e), Register, January, 2001, No. 541, eff. 2-1-01.

- (a) The facility is certified by appropriate national or state certification agencies.
- (b) The treatment program focus at the facility is on the individual with drug and alcohol abuse problems.
- (c) Facility treatment plans and protocols are available to the board liaison and coordinator.
- (d) The facility, through the credential holder's supervising therapist, agrees to file reports as required, including quarterly progress reports and immediate reports if a credential holder withdraws from therapy, relapses, or is believed to be in an unsafe condition to practice.

(2) As an alternative to participation by means of a treatment facility, a credential holder may designate an individual therapist for the purpose of participation in the procedure. The board liaison shall approve an individual therapist who:

The custodian shall evaluate each request on a case by case basis using the applicable law relating to open records and giving appropriate weight to relevant factors in order to determine whether public interest in nondisclosure outweighs the public interest in access to the records, including the reputational interests of the credential holder, the importance of confidentiality to the functional integrity of the procedure, the existence of any pledge of confidentiality, statutory or common law rules which accord a status of confidentiality to the records and the likelihood that release of the records will impede an investigation.

(3) **TREATMENT RECORDS.** Treatment records concerning individuals who are receiving or who at any time have received services for mental illness, developmental disabilities, alcoholism, or drug dependence which are maintained by the department, by county departments under s. 51.42 or 51.437, Stats., and their staffs and by treatment facilities are confidential under s. 51.30, Stats., and shall not be made available for public inspection.

(g) The program shall maintain the confidentiality of participants in accordance with s. 146.82, Stats.

(h) The program shall inform participants of the total cost for each drug screen including the cost for program administration, collection, transportation, analysis, reporting and confirmation. Total cost shall not include the services of a medical review officer.

(i) The program shall immediately report to the department if the program, laboratory or any collection site fails to comply with this section. The department may remove a program from the approved list if the program fails to comply with this section.
